PA 147

Overview

ERI specializes in outsourcing of compensation and benefit research and now serves over 10,000 corporate subscribers via its **Assessor Series** products, **ERI Salary Surveys**, and online offerings. Subscribers include most Fortune 500 companies, the IRS, state AG Offices, and most major consulting firms. ERI's research databases and products are used by subject matter experts for business planning and analyses (Professional editions) and by expert witnesses and consultants, often for matters related to litigation (Consultant editions). "Clicking" on a dot and retrieving source survey documents and assessing data rates of error are what make aERle (all ERI entities) products unique.

Development
